Paying

We invoice each completed visit. Pay by card or bank transfer (ACH), in full or in parts.

When a crew is out for the day

A crew is out for the day when its crew lead is absent, or nobody on the crew is present.
A stand-in lead counts as the lead for that day.
A member present for part of the day counts as present.
A crew with its lead and at least one other person present works the day with fewer people, so its visits take longer.
When a crew is out, its visits need a new crew: another crew of the same zone takes them where it has room. We tell you before your visit changes.
